

Hello NGPO Families,

NGPO is working with Mooseheart Child City and School Inc. on a service project this month in the spirit of the holiday season. . This year we are asking our NGC athletes to give to other tween and teen girls who are in need of a little holiday cheer this year.

We will start collecting donations at the gym between the dates of December 13-22nd. If you would like to learn more about Mooseheart please visit, <http://www.mooseheart.org>. It's a very special place. Tis the season of giving!
